

Tech Programs for Girls in Michigan

# From Gamer to Game Changer: Coding for Good!

**Date:** Saturday, April 20, 2024

**Time:** 8:30 a.m. to 1:30 p.m.

**Location:** Lake Michigan College

2755 E. Napier Ave., Benton Harbor, MI 49022

Inviting Girl Scouts (Brownies, Juniors, Cadettes) and non-Girl Scouts in 2nd - 8th grade to explore the world of gaming through code!

Brownie Girls Scouts including girls in 2nd & 3rd grade, and Junior Girl Scouts including girls in 4th & 5th grade will create a game using Scratch programming. The girls will also need to create a Scratch account prior to this event if they would like to access their game after this event.

Cadette Girl Scouts including girls in 6th to 8th grade will create a game using App Inventor programming. The girls will also need access to a Gmail account (a school account will not work) prior to this event if they would like to access their game after this event.

Participants will earn 3 badges.

All students will learn about important female computer scientists and how to use computers to solve problems that help people progress in life.

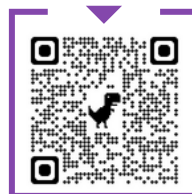

Parents/Guardians are encouraged to join the parent session (at no cost) on Technology Careers while the students are enjoying their session!

*\*Scholarships to cover the cost of this event are available.*

*Please send your scholarship request to [girlsrockit@mcwt.org](mailto:girlsrockit@mcwt.org).*

Cost for student participants: \$10
