mcwt michigan council of women in technology foundation
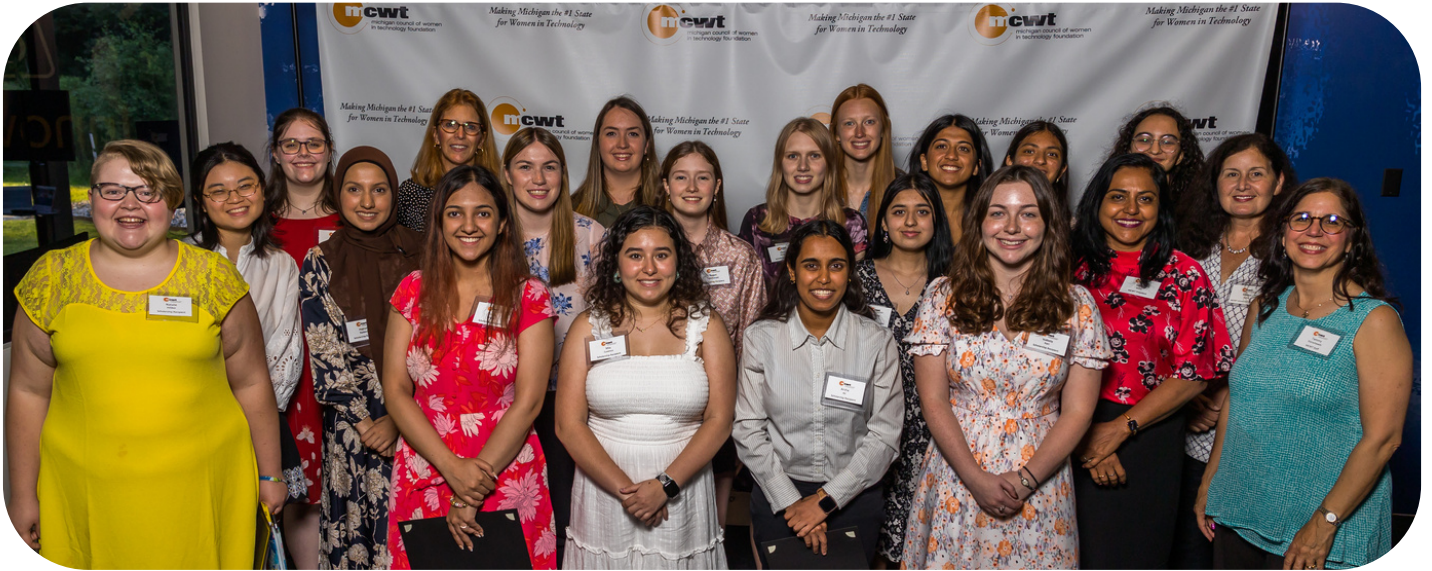

2024-2025 Academic Year
SCHOLARSHIP APPLICATIONS

Support the Next Generation of Women Seeking Higher Education in Tech

With your help, MCWT is encouraging female, technology-focused high school seniors, GET-IT Club high school seniors, and undergraduate/graduate college students pursuing a technology-focused degree to apply for the 2024-2025 Scholarship program.

REQUIREMENTS

- United States citizen.
- Current Michigan resident.
- Female students with a GPA of 2.75 or better.
- Enrolled (or will be enrolled) full-time in a Michigan college, community college or university.
- Must be pursuing a tech-related degree for the 2024-25 academic year.

APPLICATION WINDOW

Monday, October 2, 2023 -
Wednesday, January 31, 2024 @ 11:59 p.m.

APPLY TODAY!

Scholarship recipients not only receive financial support but also gain access to a dedicated mentor throughout the scholarship period. We'll also assist them in finding a relevant internship opportunity to further enhance their career prospects.

To qualify, applicants must be enrolled in a full-time associate, undergraduate or graduate degree program in Michigan.

We accept a wide range of majors, including but not limited to:

- Data Science
- Cyber Security
- Digital Forensics
- Computer Science
- Information Systems
- Artificial Intelligence
- Software Engineering
- Computer Information Systems

This list is not exhaustive and is meant to serve as a reference.

Encourage women students in tech to apply and help them unleash their potential with MCWT Scholarships! Together, we can empower the next generation of tech leaders.
