

# LUNCH & LEARN

*Build your leadership skills and technical acumen  
through our 60-minute virtual Lunch and Learns.*

## INNOVATION, CULTURE, & YOU Building Inclusive Technical Workplaces

*Thursday, Dec. 7, 2023 / 12 p.m. to 1:30 p.m. EST*

### About the session:

This transformative session is designed to empower participants to become inclusive leaders by fostering a shared, research-based understanding and a common language to navigate subtle everyday biases and institutional barriers.

### Meet our Speakers

**Dr. Andrea Bowens-Jones**

Workforce & Affinity  
Alliance Director, NCWIT

**Terry Hogan**

Executive Director and  
CTO, NCWIT

### We will explore key topics such as:

- addressing unconscious bias in the workplace
- linking diversity to tech innovation with a research-based vocabulary
- gaining practical knowledge for fostering inclusivity in everyday interactions and business processes.

Join us on this journey towards creating inclusive technical cultures. Together, let's pave the way for a strategic and sustainable approach to inclusive cultures throughout Michigan.
