“Being a member of the Michigan Council of Women in Technology has brought tremendous value and diversity to my life. There is a certain amount of magic involved when we invest in young women; their ideas grow and form and eventually might change the world!

Katie Ramsay
Health Systems Analyst
Blue Cross Blue Shield of Michigan

MCWT Is a connected community of resources, wisdom, and friends. Become a part of our network and help us In our work to make Michigan the No. 1 state for women in technology.
