

Reignite!

Transitioning Women In Tech

CONFIDENCE MEETS OPPORTUNITY: REIGNITE YOUR TECH CAREER

MCWT's Reignite! program helps women build confidence, gain in-demand tech skills to successfully return to the workforce, pivot from another industry, or grow into a new role in tech. This program provides a chance to build the confidence to tell your story – personally and professionally with an opportunity to launch a dynamic new career path.

WHAT YOU'LL GAIN

- Supportive Community – Connect with women on similar career journeys.
- Industry-Recognized Skills – Earn certificates in Cybersecurity, Artificial Intelligence, Project Management, and more.
- Expert Guidance – Personalized support to identify your strengths and career goals.
- Career Coaching – Work one-on-one with professional career coaches.
- Flexible Learning – Self-paced courses designed for busy schedules.

WHO SHOULD APPLY?

- Women transitioning into tech careers
- Women returning to the workforce
- Women ready to rebuild confidence and create new opportunities

2026 PROGRAM HIGHLIGHTS

- 6-month hybrid program with virtual and in-person sessions
- Google Career Certificate learning tracks
