

# Tech Her Forward: Innovate, Empower, Belong

Inviting High School Girls to the GET-IT Connection Summit at Wayne County Community College!

Tuesday, November 11, 2025

8:15 a.m. to 1:30 p.m.

Wayne County Community College  
District – Ted Scott Campus  
9555 Haggerty Road  
Belleville, MI 48111

Join us for an inspiring day where accomplished women in tech will share their stories, provide career advice, and discuss the latest trends in technology—especially Generative AI!

## What to Expect at the Summit

- Inclusive Design Workshop: Hands-on activity showing how tech can be designed for accessibility and diversity
- Learn how to stay safe online and explore careers in cybersecurity
- Prepare for college and jumpstart your tech career
- Connect with leading female tech execs and be inspired

## How to Get Involved

Educators and parents must sign their students up by emailing our Program Manager, Nitza Harpe, at [nitza.harpe@mcwt.org](mailto:nitza.harpe@mcwt.org) before **Friday, October 17, 2025**.

**The summit includes a light breakfast and boxed lunch for all participants!**

Schools with 20 or more students are eligible to request transportation assistance if required.

This event is made possible by  
the generous support of our  
sponsors.
