mcwt
michigan council of women in technology foundation

2026-2027 Academic Year
SCHOLARSHIP APPLICATIONS

Support the Next Generation of Women Seeking Higher Education in Tech

With your help, MCWT encourages female, high school seniors and undergraduate/graduate college students pursuing technology-focused degrees to apply for the 2026-2027 Scholarship program.
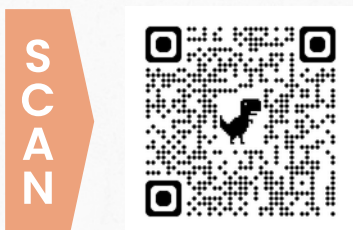

REQUIREMENTS

- United States citizen.
- Current Michigan resident.
- Female students with a GPA of 2.75 or better.
- Enrolled (or will be enrolled) full-time in a Michigan college, community college, or university.
- Must be pursuing a tech-related degree for the 2026-27 academic year.

APPLICATION WINDOW

Wednesday, October 1, 2025 - Saturday, January 31, 2026 @ 11:59 p.m.

To qualify, applicants must be enrolled in a full-time associate, undergraduate, or graduate degree program in Michigan.

We accept a wide range of majors, including but not limited to:
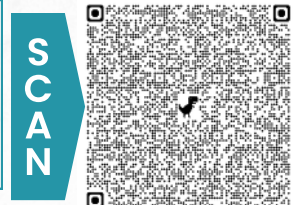

- Data Science
- Cyber Security
- Digital Forensics
- Computer Science
- Information Systems
- Artificial Intelligence
- Software Engineering
- Computer Information Systems

This list is not exhaustive and is meant to serve as a reference.
