

TECHNOLOGY SUMMER CAMPS

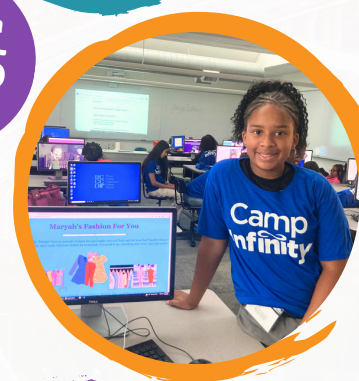

FOR GIRLS ENTERING 4TH-12TH GRADE IN THE FALL

July 2026

Scholarships
Available!

Admission
\$125
/camper

Camp Infinity is a series of week-long sessions that introduces girls to computer and internet technologies through hands-on activities.

Each week of fun is held on Mondays-Fridays from 8:30 a.m. to 4 p.m. in various locations throughout the state. Our expert instructors will guide your child through a range of engaging activities that will spark their imagination and creativity.

CAMP COURSE DETAILS

4th - 6th Grade Girls

Campers in 4th-6th grade will program Dash robots using block-based coding and create interactive games with MIT Scratch—no coding experience needed.

7th - 9th Grade Girls

Campers in 7th-9th grade will gain real-world STEM skills by programming LEGO® SPIKE™ Prime robots, exploring AI ethics, and creating and enhancing apps with MIT App Inventor and AI integration—no coding experience required.

9th - 12th Grade Girls (WCCCD Camp ONLY)

Campers in 9th-12th grade will gain real-world STEM skills by programming LEGO® SPIKE™ Prime robots in Python, exploring the basics of AI ethics, and creating and enhancing apps with MIT App Inventor and AI integration—no coding experience required.
